Arizona Civics Test

Attention Juniors and parents of Juniors: In 2019, the Arizona legislature passed the American Civics Act (House Bill 2044) requiring the graduating class of 2018 to pass a civics test based on the United States Immigration and Naturalization civil questions. Students will be required to score 60% or higher in order to graduate from high school or obtain a high school equivalency certificate. Students may retake the test as many times as necessary to pass. Students receiving special education services are exempt from obtaining a passing score unless required by an IEP.

To prepare for this test, please see this Study Guide for Arizona Civics Test.
